Description: Proposed Order to Conditionally Waive Waste Discharge Requirements for Discharges from Irrigated Lands

This notice is to advise any interested parties that the California Regional Water Quality Control Board, Los Angeles Region, will consider adoption of the proposed Conditional Waiver for Discharges from Irrigated Lands (Conditional Waiver) in the Los Angeles Region, Order No. R4-2005-XXXX. Consideration of the proposed Conditional Waiver will be at public hearings to be held on November 3, 2005 at a location to be determined. Actions to adopt the Conditional Waiver will be taken in accordance with a regulatory program exempt under Section 21080.5 of the Public Resources Code from the requirement to prepare an environmental impact report under the California Environmental Quality Act (Public Resources Code Section 21000 et seq.) and with other applicable laws and regulations.
